The son of the late Wilmer and Margie Sampson, he was born in Salisbury, Maryland on Tuesday, June 7, 1949. Wilmer was affectionately known as “Billy.”

After receiving his formal education in the public schools of Wicomico County, Maryland, Billy served in the United States Air Force during the Vietnam War and received an honorable discharge. He matriculated to his career path in the Transportation Industry where he served as a truck driver for over thirty-five (35) years.

Wilmer was a faithful member of Rapture Ready Ministries in Salisbury, Maryland. There he served with the Greeters and Men of Standard.

Wilmer and the love of his life, Brenda E. Sampson, were together for over forty-five (45) years. They united in holy matrimony in November 1979 and from this union, they were blessed with three children. Together they shared a marriage of love, honor and respect.

Wilmer loved his family and enjoyed family time and his wife’s cooking. He loved starting his day with a fresh cup of Dunkin Donuts coffee, which is the only kind he would drink. “ I can remember as far back as age three that Billy and I were friends, buddies, schoolmates, cousins. Through our 72 years together; because we were both born in 1949, we never had an argument, some firm discussions because Billy could be firm, but we loved each other and we each knew it. We never ended a conversation or visit without me saying “I love you” and Billy saying, “I love yo too” or “I love you more.” Today I’m wearing a necklace with a “B” representing Billy and Barbara. I will miss our conversations and him saying don’t tell Brenda. We kept each other’s secrets, shared our life stories, told each other things no one else knew. We were family, but we were also true friends. I will see you my cousin, my friend, on the other side one day. You fought a good fight, won the race. Rest now, you’ve earned it. I love you, Barbara
