“ *It is with a heavy heart that I mourn the passing of Aida. I will always remember the good times we shared and the laughs that we had along the way. I think the best time I had with her was when we traveled to her granddaughter Melissa and husband Peter/s wedding in Michigan. She was so excited about being there for them and enjoyed that special occasion so much. She had a great sense of humor and always laughed and took all the teasing I would give to her but with great comebacks! We spent many good times together as a family and the last few years she lived with us I got her hooked on my Italian cooking (pasta) which she loved. I will miss you sweet mama and will never forget you. Rest in peace dear Aida.*
