“ Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to mankind, but Almighty God promises that He is going to remove death, sickness and pain in the near future. (Revelation 21:3&4) He also gives us hope of being reunited with those we have loss in death. (John 5:28&29) So, please take comfort in the bible during your time of grief and may your entire family be comforted and blessed.
