“ My *Most Sincere Condolences* are being offered to the family of *Sherwood Camper*. *Sherwood* was a *Very Gregarious Person*. He was *Very Familiar* with people everywhere he went. He *Never Failed* to Visit our home and to *Greet* our Family as whenever he was at home visiting his own *Family*. *I miss His Warm Smile & Hugs* as I and my family had the privilege of receiving over *Many Years*. I personally attended *Mace Lane High School* with him during his Senior Year- which for him was a combination of his *Serious Effort* to Graduate w-the Class of 1969- while always maintaining his *Special Sense of Humor*. May *GOD's Angels* welcome his Spirit to a *Place of Eternal Rest*.
