“ Please accept my deepest sympathy in the loss of your loved one. Death is an enemy to mankind, but Almighty God promises that He is going to remove death, sickness and pain in the near future. (Revelation 21:3&4) I can relate to your pain. Recently, I loss one of my sisters in death and the hurt is still very great, but I look forward to the bible's promise at John 5:28&29 when I can be reunited with her again. So, please take comfort in the bible during your time of grief and may your entire family be comforted and blessed.
