He met a lot of people while working for Sapps Cleaning Service and Delaware Sleep Disorder Center and became friends with many of them. Alfonzo was a dedicated employee and enjoyed working at both locations.

Alfonzo was a member of First Congregational Church, Milton, DE, where he served as a deacon, sang on the church choir and was a soloist. Alfonzo would do anything that the church asked of him. He loved his church. While living in Easley, SC, he joined Easley Chapel United Methodist Church, in 1982. He sang on Easley Chapel's Ensemble, Senior Choir, the children and youth choirs, bowled on the church's bowling team, drove the Sunday School van and worked with the children and youth ministries. He loved Easley Chapel and its members.
