“ So sorry to hear of the passing of a dear friend I grew up with in Dodge City(Bridgeville). Chuck always had a smile and a great heart felt greeting for you whenever and wherever he met you. I remember the good old day growing up playing many baseball and football games that we on the other side of town never seemed to win, but it was the fact that we enjoyed being in the company of each other and that fact carried on into adult life. I will surely miss my smiling friend and to the Drayton family. I say Keep on Keeping On and God will surely see that this too shall pass. God bless you All.
