“ I first met Fred in 1959 after he immigrated from Germany. He joined the 6th Grade class at Violetville Elementary mid-term, speaking very little if any English. Several months ago Fred reached out to me via 'Classmates' and we had lunch together. Fred was estranged from his son, and he shared his deep regrets regarding this situation. Fred was a gentle soul and I suspect aware of his pending fate.

*** Rest in peace old friend ***
