“ *My thought and prayers are with you all. I love the entire Prillhart family like extended family. Allen was like having another older brother when I was growing up. Love you all so dearly.*

“ *As I extend my prayers and condolences to my cousin Bobby's family, my thoughts go to the fact that I never had the opportunity to meet Allen or any other members of his immediate family. It is so sad that our families never get a chance to know each other in this short and uncertain life. May God Bless and keep each of you.
