“ Please accept my deepest sympathy in the loss of your loved one. We just recently loss our sister in death. The pain is so hurtful to lose someone you were raised up with from infancy. Even though the hurt is so painful, I know that our loving God has made provisions for the resurrection. I look forward to the time when I can see her again. The bible tells us that soon Almighty God is going to remove death, sickness and pain. ( Revelation 21:3&4 ) So please take comfort in the bible during your time of grief and may your entire family be comforted and blessed.

“ Please accept my sincere condolences for your great loss. There are many words of comfort I would like to say; however, it has often been found that the best source of comfort is found in God's word. God is aware of your pain. "He is healing the brokenhearted ones, And is binding up their painful spots." (Psalms 147:3) Death was never meant to be. (Genesis 2:17) Therefore, "He will actually swallow up death forever, And the Sovereign Lord will certainly wipe the tears from all faces." (Isaiah 25:8) May the hope of being reunited with your deceased loved one bring you a measure of comfort and joy.
