

Anthony Lee Jenkins

April 25, 1945 - September 1, 2023

In addition to his loving family, Tony is survived by his sister-in-law, Rochelle, who held him in the highest regard, considering him a second father, a friend, and a confidant and she resides in New York. He is also survived by his brother-in-law, Michael, and his wife, Kaye, who call North Carolina home, further extending the reach of his cherished presence among family and loved ones.

Tony's educational journey began at PS 828 for his primary education, and he continued his studies at Jr. High School PS 178. In 1962, he proudly graduated from Franklin K. Lane, where he was an active participant on the track team. He also spent a semester at St. Johns College in Brooklyn, New York, exploring further avenues of knowledge.

A true New Yorker at heart, Tony held a deep pride in calling Brooklyn his home. While excelling in various aspects of life, his career was notably distinguished. He dedicated seven years of his professional life to the New York City Health Department, where he held a managerial position, business agent for DC for 37-plus years. Subsequently, he embarked on a remarkable 25-year journey as a General Superintendent with the New York City Transit Department, retiring at the youthful age of 56. His dedication and commitment to his career left an indelible mark on the city he loved so dearly.

Tony found great joy in the art of barbecuing and the soothing notes of music. At his core, he was a devoted family man, relishing in the precious moments spent playing with his beloved grandchildren.

Tony Jenkins' life was a testament to the bonds of family, the strength of enduring love, and the enduring impact of a kind and caring heart. He will be deeply missed by all who had the privilege of knowing him. As we mourn his passing, we also celebrate the beautiful life he lived and the love he shared with those fortunate enough to be a part of his journey.

“ What a blessing it has been to know Tony. He was a good man and a wonderful husband, father, grandfather, family member and friend. I thank God for meeting him and getting to know him, Linda and their family over the last 18 years. God placed Tony in my life as a great neighbor and friend. Words can not express how much he meant to my daughter Tasha, my granddaughter Chloe and me. We will truly miss him.
