“ *Please accept my deepest sympathy in the loss of your loved one. I just recently loss my sister, and I know the hurt and pain you must be experiencing at this time. Please take comfort in the bible during your time of grief. Revelation 21:3&4 tells us that in the near future, Almighty GOD is going to remove death, sickness and pain. He is also going to resurrect those ones asleep in death. (Acts 24:15) These scriptures gave me great comfort and I hope your family will benefit from them as well.*
