“ Schnookums,

I will truly miss the late night phone conversations that you and I would have before I moved here from MS. You and I were pretty much inseparable once I moved here and I wouldn't have had it any other way. We had our ups and downs but it worked for us no matter what on the outside looking in saw or thought they saw. I WILL FOREVER LOVE YOU AND CARRY YOU IN MY HEART. 🌹

💙💙💙Papo💙💙💙
