“ Extending deepest sympathy to family and friends in this time of sorrow. Please find comfort in knowing that soon all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28,29) Until that blessed day, may the GOD of all comfort grant you peace while many fond memories warm your hearts.

“ I am so sorry to hear about Bubby. Bubby was not only a great coach but a great person. I had the fortune of working with Bubby and occasionally assisted him with his beloved Senators back in the 80's. He will be missed.

“ If you played little league baseball in Dover and you are between the ages of about 60 and 35, then you know the name Bubby. If you were fortunate enough to play for that man, then that name means more than words can describe. For a person with no kids of his own, who wasn't a teacher or clergy, he touched the lives of more young men than anyone in this town. May his spirit and his gold Cadillac live on forever!
