

Barbara Gardner

November 11, 1941 - August 11, 2019

Barbara Foreman Gardner was born November 11, 1941, in the Easton, Maryland area to Mr. Louis Foreman and Mrs. Pearl Foreman. She had several brothers and sisters, one of whom was her twin Betty, who she fondly talked about often.

Barbara was a happy person, who always sang. She would sing for anyone who asked. She sang many gospel hymns, including her two favorites, Precious Lord Take My Hand and Amazing Grace. She would always lead the morning prayer and say grace before breakfast, lunch and dinner.

Barbara worked. She loved to fold clothing and make beds; she could make a PERFECT bed.

Barbara was preceded in death by most of her family, but leaves to cherish her memory, two brothers, Dawson Foreman, who lives in Chestertown, Maryland and Lewis Foreman, who lives in Snow Hill, Maryland. Also left to remember Barbara, are her “new family” that she acquired at Our Home in the Country 2, where she has resided for the past six years. Barbara will be missed as memories of her are shared in conversations at the home.

“ I was very saddened to read of Barbara Gardner's death in the Kent County News. I always inquired about her after she left Magnolia Hall but could no information. Mrs. Gardner was the roommate of my aunt (Etta Hopkins), at Magnolia Hall. My aunt was extremely ill for a while and Mrs. Gardner would always give me reports on Aunt Etta during my almost daily visits. Through her, I was given much encouragement with faith-based passages to help me to stay grounded. I will always remember her goodness and kindness along with her positive outlook. She was never afraid to ask for those services which she was entitled to. And always made sure that my Aunt got the same treatment. May she rest in peace. Amen..Robert Hawkins
