“ Please accept my deepest sympathy in the loss of your loved one. The bible gives us hope of seeing our loved ones again during the resurrection of the dead. ( John 5:28&29 ) Please look forward to that time, also to the time when death, sickness and pain will be no more. ( Revelation 21:3&4 ) I am truly sorry for your loss and hope these scriptures can be of some comfort to your entire family during your time of grief.

“ Barbara

*You will be truly missed. Every time we saw each other we laughed. I will never forget your smile. God has another one of his angels in his arms. Sorry I didn't get to see you but you will always be in my heart.*

“ To the Wesley Family:  
*Everyone born of God overcomes the world. This is the victory that has overcome the world, even our faith. When it comes to grief and sorrow, the way to comfort them is to trust God as you go through it. Please know that we the Ruleys and the Ruley-Carrs have you in our prayers and hearts, for the lost of our friend Barbara.*

“ To my Uncle Calvin, My Cousins Freddy & Darrick and the rest of Aunt Barbara's family . I know this time is hard . It's hard for the whole family . But we must look at the bright side, that she *BEEN* gave her life back to God before it was too late . We can least say she's resting in Jesus waiting to be called up . Her natural body will be missed but her spirit will continue to live on through us . Just have to keep all the memories we've had with her closer to our hearts . God will take us through, each day at a time . I love you all, just like I loved her . And you can best believe she loved all us back . God Bless !
