

Barbara Watkins

January 17, 1934 - July 14, 2020

On Tuesday, July 14, 2020, we lost our angel and mother, Barbara Watkins. She passed away peacefully at home, at the age of 86.

Barbara was born on Sunday, January 17, 1934, to the late Robert Greene of Easton, Maryland and the late Stella Clayton of Philadelphia, Pennsylvania. Barbara was raised by her grandparents, the late Isaac and Daisy Clayton, of Concord, Delaware. Barbara relocated to Philadelphia, Pennsylvania, where she met and married James Watkins, Sr. From that union, they had seven children.

Barbara was a hard worker, especially for Ames Department store, Nanticoke Memorial Hospital and The Methodist Manor House, all in Seaford, Delaware as well as Visiting Nurses Association, in Georgetown, Delaware. She completed her work career doing something she loved, serving as a Certified Nursing Assistant (CNA) over 20 years. Her children and grandchildren were her world, secondly, her friends, then her children's friends; whom she loved and cared for as her own. Everybody loved "Miss Barbara" and believe me, she loved everybody as well. With that being said, "MOMMY, we are going to miss you and we love you."

Barbara is survived by five sons, James Watkins, Jr. (Sharifa), twins; Mitchell Watkins (Daisy) and Michael Watkins, (Teresa), Kevin Watkins (Tina) and

Lemuel Watkins (Lorraine); two daughters, Susan Watkins and Shelia Watkins (Ronald); one aunt, Beatrice Elias of Philadelphia, PA; granddaughter, Shantel Watkins; 29 grandchildren; her caregiver; and a host of great- grandchildren; several cousins, nieces, and nephews.
