“ Dear Whitney family, I'd like to express my condolence and deep regrets for your loss at this painful and difficult time and share where I found help at such a time as this when I lost my entire family to this enemy death. I found comfort and hope from what I read in Jehovah God's word the Bible at John 5:28,29 we're told there that we'll see our love ones again at the resurrection when Jesus brings back here on earth and at I Corinthians 15:54 we're told that this enemy death will be gone forever. With these scriptures and jw.org I'm able to cope with my loss because now I know I'll see my love ones again and so can you. I wanted to share this with you now when hope and comfort is needed hoping that this will help you also for this is my purpose in sharing this with you at this time and please now that I do share your grief and hope you'll feel free to let me know if this helped in some way. I hope to hear from you.
Sincerely, GM
