“ *Lena my loving sister was a mother, caregiver and supporter in much of my youth life. There are many times it was because of her love we made it through the day and night. She was dedicated to family in everything she did with so much love. I will miss her deeply but I have so many beautiful and loving memories. May the Lord Jesus hold you close. Love You Lena*

“ *My Aunt Helena was my caregiver throughout my childhood. As I got older, I became her confidant and a trusted nephew that she would turn to me for advice on how to handle various situations. She was a special lady in our family and her extended family. God has taken your pain away but not the memories that will always be in my heart. Aunt Helena, I will miss you and your kindness.*

Love you,

Your nephew (Joe Moore)
