“ So sorry to read of the transition of Brandon. He was such a sweet young man. He always wanted you to rub the side of his face. That smile of his would light up the room. May God give strength, comfort, and strength to his family and all those whose heart that his life touched!

“ *Brandon, my Neph*
I remember when he first said my name..Aunt Ne-Neen! That smile. The sweetest memory that never leaves! That active Spirit that leaves you breathless at the end of the day. So many memories, A genius with this Rubick Cube, and O how he loved to build. While he cared in his own way, He also loved Genuinely! Brandon kept Us Aware, kept Us on our feet. It was Never a dull My moment. My Neph..Aunt Ne-Neen
