“ I attended Mrs. Newton's funeral yesterday and it was a beautiful service. When people were asked to speak about Mrs. Newton, I wanted to stand up, but didn't. I let me nerves get the best of me. Mrs. Newton was the first friend my Mother made through church. Mrs. Newton would drive us to the Catholic Church in Centreville. Ever Sunday. Rain or Shine. She taught my Mom to cook and was truly an amazing person to my Mother and to our family. The Newtons would come to our Filipino Irish Cookouts. Which Mr. Newton remembered when I came to visit him and grandson Robert. Years have went by so fast. What I also realized, is how lucky this World is to have the opportunity to have The Newton Family. They shared their Love, Vegetables, Food and Friendship throughout Barclay and all of the Eastern Shore. I will remember all the times she would say to my Mother "Norma, you can't say that." Because my Mother had no filter. It also helped me remember, it's not what you have in this world, it's how you are remembered. Rest In Peace, you Will always live through everyone who was fortunate to be a part of your Life. I truly thank you.

My condolences to Robert & Darius and Family. I'll never forget how Newton family love crabs. When I came to MD to visit my daughter Brenda was teaching me how to Crack open those blue crabs I learned 😞 but I thought I would starved. I know you will be sadly missed but you are resting comfortably in Arms of God. 🙏

“ Please accept my deepest condolences. I had Mrs. Newton for gym and home economics at SMS in the mid 80s. I occasionally saw her as an adult and she always remembered me. She was a sharp lady that played an important role in the lives of many through her teaching career and she truly cared for each of her students. May she rest in eternal peace.

“ *My sympathy to Mr Newton & family. Mrs Newton was my gym teacher at Sudlersville Middle School many years ago. She loved for us to do gymnastics, but that was not for me. 😊 I remember the class well as she kept a stern watch over us girls. Rest well in peace.*

“ *Robert i remember the day that Brenda and I were taking our child to horse backriding lessons near Chestertown. We were both surprised to meet there. I brought my son and Brenda had her daughter for a lesson. We ended up showing the children that we both could ride horses. Well, that was a frighting moment when we climbed on the horses and my horse took off with me half on the saddle. Brenda's horse followed and we both held on tight. When we both were finally able to slow our horses down, we got off immediately and told your daughter and my son that it had been fun. Brenda and I shared during their lesson later ,that we had been terrified when that happened. We laughed together and I declared no more horses for me. We kept that as a secret between us from that point on. Your wife was a happy, friendly, family loving lady. I remember her with a big smile on my face.*

“ To Robert & Family,
Robert I was sadden to hear of your loss. You took great care of Brenda. I know she lived a happy life because of you and the loved you showed her. I recall when she was in rehabilitation in Annapolis and I went to visit her. You were adamant about bringing her home because you said she was getting depressed. The love, care and attention you gave Brenda speaks volumes of you as a good husband and a real man. I know you will miss her. Her memories will be something dear to your heart as they are dear to my heart.

She enjoyed studying the Bible when she was able to and always welcome me to share encouraging scriptures with her when I was able to visit. May the father of all comfort, comfort you doing this difficult time.
