“ Brian was one of the coolest people Iu2019ve known. Avid Bob Marley fan and lover of New York. He will be missed at Churchman Village. Look forward to a time when suffering will be no more. Revelation 21:4

“ Dear Brian, We miss you and we love you. We think about you everyday. You touched many lives here. We are your family and we will remember what you taught us especially through music, laughter and love and through the Parkinson's you taught us patience and not to complain. We know you are enjoying your heavenly jam session. We will love you forever! Carol and Shelly
