“ Hey Big Brother Bruce Blake this is Gregory Blackston, Jr, and Carlston Johnson, jr when He told me you passed I was headed to work in morning My heart was sadden to hear the news, we was remembering the time of Chesapeake college the year of 2010 how great times we had and laugh because you stopped riding the bus did big even tell us the times you protected me and him because your love. We both enjoyed the time to be employed with you at Acme markets and seen the goals you had accomplished got a place of your own, advanced to job working for school system as a housekeeper that you really loved very much, God Bless you with a wife I was very proud of you, I'm praying healing and restoration to Your family and friends as we have to walk, deal with this for rest of our life's, God has you in heaven and you can talk all about it, you completed your assignment on this earth I'm say I love you Big Brother, I'm definitely miss you, I looked up to you in so many ways. 🤍👊
