“ I'm so saddened by Uncle Bruce's passing. Though I hadn't seen him in many years, he was always in my heart. He is most memorable to me for his ability to send a person into peals of laughter, often with only a look. I wish all the Caldwells, Jurewiczes, Sheridans, Bresleys, and Murphys comfort during this time of mourning. Much love to all of you.

“ Sue
Bruce has left footprints in the life I have enjoyed, thank you Sue for the many years you shared Bruce with me and all of us here in Lancaster County. He was the first in 1982 extending his hand and welcomed me.

“ Our dear friend Sue. While I was sorry to hear of Bruce's death, after our recent telephone conversation it did not come as a surprise to us. Bruce was most definitely one of the good guys who helped many thousands of people get and stay sober through not only his 40+ years as a friend of Bill W. but also through his many years of work with the Gate Houses in Lancaster, Pennsylvania. So glad that Bruce is no longer suffering trying to breathe and as I also know that his bags were packed, I look forward to seeing him again soon. Bruce loved you very much Sue and I know you did a great deal to help him out which very few others knew about but I did. God bless you Sue..your friends Paul & Debbie
