“ *I love you pops ! I really do.. I know you'll be so proud of me right now .. your baby boy .. I became an engineer and God been blessing me ! I thank him so much. Your other kids doing well also. Your grands you really would be hype about. Dylan still playing football like you saw but you're right ! That boy fast ! lol he really has talent and he also playing soccer and good at that too. Denym is a top cheerleader in middle school. Dad she got so beautiful ! She act and look like us lol that one is all us ! 😭 Demi you didn't meet but she's about to be 5 in couple weeks .. she's doing good ! Beautiful like the others. I'm just being a father and taking care the family. My Mom still the same, church and taking care my gmom .. gmom getting old .. severe dementia but she also asked about you and tell me stories about you back in the day even after you left. I know you'll see her soon ! Dad just cover me and my kids .. just be there for us in any way you can. Ima still kiss the kids for you and tell them you love them. I love you with all my heart and you're truly missed. See you on the other side pops .. until then .. PEACE !*
