“ Bruce came to our office most Thursday mornings at the Thrift Store and Storage Office. Susie, Ellen, Eddie, Harold and Mom Cain always enjoyed his cooking and cakes and cupcakes he made. He would help the people load their cars, watched kids while parents shopped . And told great stories about the things in his life. If a road trip came up for one of my grandkids he was up for the ride from Wilmington to the Bay Bridge. Bruce was just a great guy!

“ Bruce was a great co worker, he would help you do anything. I called him the maytag agitator if things were to calm he would get something started. There was never a dull moment with him. RIP
