“ My condolences to the family. How comforting it is to recall happy memories of the times you shared with Calandra, perhaps by looking at photos. True, remembering those times might be painful at first. In time, though, these memories may help you to heal rather than cause you to hurt. God’s Word, the Bible, provides the greatest comfort of all. The Bible at Acts 24:15 says “I have hope toward God that there is going to be a resurrection.

“ Extending deepest sympathy to family and friends in this time of sorrow. Please find comfort in knowing that soon all those in the memorial tombs will hear Jesus' voice and come out. (John 5:28,29) Until that blessed day, may the GOD of all comfort grant you peace while many fond memories warm your hearts.
