

## Carnella Martina Gibson

September 27, 1957 - November 10, 2018

Carnella Martina Gibson or Nelly, as she was affectionately called by friends, departed this life very suddenly on November 10, 2018. She was 61 years old. She was born on September 27, 1957, to Catherine Hall and Clarence Gibson, both of whom preceded her in death. She was the fourth of five children.

Carnella began her early education in Easton, Maryland, and later relocated to St. Michaels, Maryland, where she excelled in her studies, and graduated in the Class of 1976.

Carnella had a zest for life, with so much love and compassion for others. She could always make you laugh. Her personality led her to the hospitality field, in which she worked for several years. Carnella later moved to Baltimore, Maryland, where she began working for Bon Secours, until her passing. She enjoyed what she did and gained many friends. Her jubilant personality will be missed through the lives of those she touched.

In addition to her parents, Carnella was preceded in death by two siblings, Ida Hines and Phillip Gibson.

Carnella leaves to cherish precious memories to her sons, Jazzman Jacobs and Dalontae Wilson, both of Baltimore, MD; sister, Roberta Crosswells, of

Baltimore, MD; brother, Joseph Hall, of St. Michaels, MD; a very special niece, Barbara Stanford, of Easton, MD, whom she shared a sisterly bond; and a host of nieces, nephews, great cousins and friends who will miss her presence dearly.

“ My deepest condolences for the loss of your dear loved one. While nothing will completely take away your grief, by meditating on Gods promises found in the Bible, you can find real hope and the strength to keep going. My family and I have found the scripture at Isaiah 25:8 to be especially comforting. Here it promises that God \"will swallow up death forever and the Sovereign Lord Jehovah will wipe away the tears from all faces.\"

“ To our family through our bereavement time and our sadness because we all lost a good person whose our sister's, aunts, cousins, friends and whatever else someone called her but she was a blessing from God, and I wish that it didn't happen to her but God had other plans for her and we can never questioned God about why she had to be the one to go so early and so soon but we're just glad that we did get to spend as much time with her as we did on this earth because she was so joyful and when and whoever was around her enjoyed themselves as well but we can just enjoy the time that we spent with her and just remember the good times but I (Michele) nor my sister Patricia Hall-Daniels (Sonny's daughter), she lives in New Jersey, and I (Michele) Sonny's daughter no longer live in Baltimore, and we can't and won't be able to make it to the funeral, but y'all are in our prayers and thoughts are with you all, we pray that you all have a safe traveling mercies back to your destinations. Remember always that we love you all. \r\nSorry that it had to come to this for everyone to get together again, I truly wish that I could have been able to make it to the funeral.
