“ Carolyn was great neighbor. My husband used to mow her lawn when he mowed us and she always insist on paying him. My husband never took her money. To get around my husband not accepting pay, she gave the money to our son and insist that we open an account for him. She was always funny, happy, and full of smile and life. My family and I miss her very much. She was a great person.

“ My heart is heavy that I will never see Carolyn again. She volunteered in our office and was considered a part of our team. She wasn't just a volunteer, she was a friend. I will miss her telling me, "Girl, you're crazy." She was sweet, smart and sassy and could always make me laugh. I will miss her very much . Rest in peace my friend!

“ Oh Carolyn. I just heard you are no longer with us. It is a very sad day for us all. We will miss your smile. The world is a lesser place with you not in it. Thank you so much for being a good neighbor, a great coworker, and a wonderful friend. I will miss you. Karen

“ Carolyn Mailey was part of team within Family Health Systems at Delaware Division of Public Health where administrative oversight was provided for adolescent and reproductive services throughout the state. In her role at the Division, Carolyn was extremely well organized, thorough in her approach to any task at hand and detailed to a fault. To know Carolyn, was to experience her - sometimes to duck for cover, other times to share in the laughter. However, when it came to her granddaughter, Mattie, nothing but love was apparent. There is no doubt in my mind that Carolyn is organizing others in heaven to provide more efficient administrative support on any given future project! Gloria James
