“ *When Sabrina joined us at Capital One, her family immediately became a part of our own. Carrie was a constant presence in our team and became a part of our work family by proxy to the point where Carrie got to know our team through Sabrina & would check in on us on a personal level. What's remarkable about Carrie was her uncompromising capacity to remain entirely herself throughout any obstacle she was facing. We always knew that whenever there was news about Sabrina's mom, she was still overflowing with energy and wit. We as a team were deeply saddened to hear of her passing, but we also know that her spirit endures forever in her family and with our team.*

“ To the Family,Carrie a former neighbor, classmate and fellow high school graduate would flash that beautiful smile and share kind words with others. Although would not see her often, when seen, Carrie was always the same. From childhood to adulthood. She and family will be remembered and thought of. A very nice person to have known and am sure her health educating of others helped make a difference. To now sing along with the angels enhancing harmony. May HIS peace be with each of you always. “ Carrie and I were Choral mates at DelSt. College. I met Carrie in The Choral room of the Humanities Building at DelSt. all along practicing on the Piono. Our love of Classical Music and College kept us in constant contact with each other. The Heavenly Choir has an Exceptional New Lead Soloist. Until we meet again my Friend. God Bless The Finney Family.
