“ *In Loving Memory of Our Big Cousin Catherine Rogers Our memories of Catherine are full of fun. She would come to Philadelphia to visit us. She, our mother, Inez and our grandmother, Helen would eat and laugh for hours. When our mother passed away in 2004, Catherine came to give us support. She has stayed in contact with us every since. We will miss her calls and her laughter. We will always remember Catherine. Goodbyes are not forever Goodbyes are not the end They simply mean we'll miss you until we meet again With Loving and Heavy Hearts, Cousins Eddie, Monique and Angela. Bosley*
