“ *Family please be encouraged. Mrs. Catherine lived so that she could live a gain. She fought a good fight and she has finished her course. Now she is in the hands of the Master. I truly thank God for all that she taught me down through the years and I am so glad I got to tell her not long ago. She was so happy. I can see her radiant smile. Please know that I am here for you and I am praying for you. May God bless each of you richly.*
