#### Shed No Tears

Shed no tears, she would say. For I am not dead, I'm just away. I called on the Lord, so He answered and came and took me away to a place where I'd feel no pain. My heart is at ease and I am at rest; God took me home because He knew what was best. He heard my cries and saw what you couldn't see; He knew Heaven was where I needed to be. Don't worry about me; I am just fine, because victory is surely now all mine. I fought my battle and I've finally won; I've made it home to see my Savior, The Holy One.

Sisters and Brothers.
