*I will miss my Homeboy. The memories we shared like why we called it Dodge City as we sometimes had to show out-of-towners the way out of town. It was our town. With our record setting Class of '75 basketball team with it's Stars (Rocky & Vic) from Jonestown (aka Dodge City). I have not shared the pact that Renny & I had...but it went like this many of the games we won with a comfortable margin. When it came time to bring in the 2nd and third string into the game, we wanted to brag on our contribution as well. After all, we did compare notes after the game. So Renny and I decided we were going to look for each other. I was the rebounder, Renny was the shooter. We were teammates, we were Homeboys ,we were coworkers and best of all we were Friends! I hate to say Goodbye to my Friend, so I say So long my Friend. Ralph*
