“ Charles always had a smile. He and my Uncle Goodie Boy were close friends. The stories that have been passed down are invaluable. Remembering the people on the Head of Creek Road and the legacy that has been left. You will be missed and remembered. .... “ Many of Mr. Johnson\u2019s former students from Saratoga Springs have been expressing their sadness at his passing and have stated how much they loved having him as a teacher. I am among those students. I had Mr. Johnson as an art teacher back in 1964-1966 and I still have such great memories of my time in his class. My father, Bill Hinckley, was a coworker of his in the Jr. High. God\u2019s peace to all. Carol Hinckley Gerbing

“ *What an amazing man! He was my teacher back in the day. Always there for us. He knew when things were not going well and would ask if you needed to talk. I was truly blessed to have him as a teacher. My thoughts are with the family.*

“ *Mr. Johnson was my 7th grade art teacher and remains a man I've admired all my life. He was the best of the best. As an adult I moved to Tucson, Az and by luck, went to get some shoes repaired and met his cousin! He looked so much like him I had to ask if he was related! You've earned your wings, Mr. Johnson, in that year you had myself, Kathleen Ballestero and Linda Barnes. You'll be forever in our hearts.*
