“ I pray that the family will get through this lost. There are only 2 sisters remaining and I pray for them both and the extended families. May you forever hold your fond memories of him forever. Charles was a fun loving guy. Always getting on my nerves in a good way!! I will miss that whenever I was around him. He brought a lot of laughter to everyone. He will truly be missed. I pray that Pam will be strong enough to endure the lost as well. Will keep the family in much prayer.
