“ Please accept my condolence. My heart goes out to you in your time of sorrow. May you find comforting Job 14:14, 15, which says, “If an able-bodied man dies can he live again? You will call, and I myself shall answer you. For the work of your hands you will have a yearning.”

“ I would like to send my condolences to the family. When someone we love dies its very painful. But the Bible talks about God doing away with pain at Rev 21:4. May the God of comfort provide solace to your family at this time.
