“ Rest in peace little brother. You will be missed very much. Now your with mom and Terry and I hope your heart is at peace and no more pain. We will always cherish our memories of you and one day we will see you again. I

know your watching over us with mom and Terry and you are all our guardian angles. We loved you so much and I know in my heart you knew that.

Love always & forever,
your sister Robin

I miss you my brother, I never thought I'd be saying this so soon I thought you'd be around forever and I never thought you'd go away from me, I thought I would go before you. I can't believe you are not here and I have a big hole in my heart and I miss you so much. But I have peace knowing your with Mom and Terry and Grandma and Pop Pop. Love and miss you. David.
