

Claudetta L'Tanya Jones

September 29, 1961 - December 1, 2020

Claudetta Jones, “Candy”, was born on September 29, 1961, in Philadelphia, Pennsylvania. She was raised in Delaware and graduated from Smyrna High School. She then continued her education at Delaware State University where she received an Associate degree in social work. She later earned a Bachelors degree in Nursing from Wesley College. Her passion was helping others, which she did while working in various nursing facilities, as well as giving private care to many. Candy's calling was ministering to others and helping whomever she could, whenever she could and wherever she could. She never hesitated to lend a helping hand. She served as a wonderful role model to her daughter, Carrieann and niece, Jaelyn as she made them ride along while she ministered to others.

Candy's favorite saying was "The party didn't start until I walked in" and she had plenty of praise parties thanking God for His Grace and Mercy. Candy was a member of Whatcoat United Methodist Church in Dover, Delaware. Her personality shined a light on everyone. She bragged about her church and always invited people to fellowship with her. God knew Candy's heart and that's all that mattered to her.

Candy made her heavenly transition on December 1, 2020. She will be sadly missed by her mother, Pastor Patricia Lovett; her daughter, Carrieann Jones; a niece she considered a second daughter, Jaelyn Guinn; three sisters,

Janetta Guinn (Dover, DE), Roberta Washington (Stafford, VA) and Odetta Petit-Homme (Dover, DE); and one brother, Lazarus Jones (Wilmington, DE). Also left to mourn her are nieces, nephews, cousins, church family and friends.

Solemnly submitted,
Jones and Lovett Family
