“ My sincere condolences to the family of Cleona Watson. To lose a loved one in death is the most devastating event that can take place in anyone's life. The pain and the anguish we feel never truly goes away. Our Heavenly Father is aware of what you are feeling and is here to offer you comfort (2Corinthians 1:3,4). He holds out wonderful promises concerning our departed loved ones at John 5:28,29 and Revelation 21:3,4. To know that there is a better future awaiting those we have lost in death, where the issues, such as sickness that plague mankind will be things of the past, I hope, can give you the strength to endure the difficult days ahead. I am sorry for your loss.
