“ *My sincere condolences to the family of Dale Ferrell. I know that there are no words to ease the pain of losing a loved one, but please remember that others care, but most importantly God cares. I have found several inspired scriptures to be both encouraging and comforting during times such as this. I hope that you will find the wonderful promises found at Acts 24:15, Revelation 21:3,4 and Isaiah 41:10,13 what you need in order to gain the solace you need. May you receive all of the tender care that you require and that our Heavenly Father along with caring family and friends can provide. Again, please accept my sincere condolences on your loss.*
