

Danielle Kunkel

September 23, 1988 - September 16, 2021

Danielle N. Kunkel, 32, of Selbyville, Delaware, passed away at her home on Thursday, September 16, 2021, after a hard and courageous battle with breast cancer. She was born on Friday, September 23, 1988 in Towson, Maryland, the daughter of Lori (nee Peterson) Kunkel and the late, James Kunkel II.

Danielle was a 2006 graduate of South Carroll High School, in Carroll County, Maryland, where she completed her cosmetology degree. She worked at Delaware Learning Institute of Cosmetology as a teacher. She was loved and cherished by many of her students. Her favorite job was the chaotic life of being a mom: that meant always being on-the-go, in different directions. Family meant everything to her. She had a love for the water, all of her life. One of her favorite places was being at the campground, where you would find her in the pool, on the boat, crabbing or fishing. There was also a lot of family time, whether riding the golf carts, playing yard games, or sitting around the campfire. When not at the campground, you could find her soaking up rays on the beach. Wherever she was, there was sure to be lots of silly fun and laughter. She loved making memories and living life to its fullest.

Surviving in addition to her mother, Lori Kunkel, of New Windsor, Maryland, is her fiance' Alan Fulmer, of Selbyville, Delaware; children, Serenity Phillips and Beau Fulmer, both of Selbyville, Delaware; one brother, Aaron Kunkel and his

daughter, Addilyn Grace of New Windsor, Maryland. Danielle is also survived by numerous aunts, uncles and cousins. She was preceded in death by a daughter, Paisley Fulmer and her dad, James Kunkel II.
