“ Nanna....how could you go so soon ... without saying goodbye...I had a dream about you and it kinda scared me ...but you on my mind super tough ...so as I started typing your name in Google cuz u weren't responding....first thing that popped up was a link for a obituary...my heart instantly sunk into my stomach...tears instantly filledy shirt..but...now what ??why didn't anyone tell us as if we didn't care...I'm so disappointed that no one was notified...just know your definitely not forgotten...even if that's what u may have thought... we'd never forget u....love u lots nanna...love lil bit n the kids...
