“ *Ms. Darlene was one of the best neighbors you could ever have. I will always remember her ringing the bell outside and dancing in her driveway. We exchanged texts several times a week when I didn't see her. She was a kind and gentle woman. She is sorely missed. RIP Ms. Darlene*

“ *Darlene looked after my father, Alton Cordrey, for the final years of his life. She was there for him every morning to get him up and dressed and fed. She became like one of the family. To my 3 sisters and me she was like an angel. She always had a smile and a contagious energy. Dad loved Darlene too. She was also my neighbor. Darlene kept an eye on my house. If ever anything unusual happened she would check in. I always checked up on her too. It is hard to express how much Darlene's caregiving has meant to our family. She was a special person and I am sure that she is rejoicing now with Jesus.*
