

Darlene O. Wilson

February 18, 1952 - November 6, 2013

Darlene was born February 18, 1952 in Dover Delaware. She was born to Flossie Cammile – Cole and the late John W. Goldsboro.

Darlene was educated in the De La Warr school district and retired from the Colonial school district after 32 years of dedicated service.

The Dallas Cowboys was her favorite football team. When her team was playing, you could find her sitting on the couch with her can of peanuts and remote control. She was a avid movie buff. The Color Purple was her favorite movie.

Darlene loved and looked forward to her weekly conversations with her son John. He always knew he was on the losing end.

Her daughter Michele was her best friend. They spoke on the phone every day for hours. They watched westerns together. The Rifle Man and Gun Smoke was just a few of their favorites.

What we all will miss about her was her sense of humor. She could take the most tragic situation and turn it into a hilarious story.

She leaves to cherish her memory a son, John (Ebony); a daughter, Michele

(CJ), both of Wilmington, DE; a stepson, Bobby Cooper, Jr. of Philadelphia; four brothers, Everett Cole of Wilmington, DE, John Sudler (Donna) of Dover, DE, Clarence Sudler (Kim) of Killeen, Texas and Wendell Goldsboro (Charity) of Brownwood, Texas; three sisters: Cynthia Goldsboro of Harrington, DE, Sheila Evans (William) of Smyrna, DE and Carmen Goldsboro-Hudson of Dover, DE; five grandchildren: Johron Saunders, Christopher Lewis, Jeremiah Lewis, Jokyra Saunders and Johniasha Saunders all of Wilmington, DE; two dedicated cousins: Richard and Milton Harmon. Darlene also leaves to cherish fond memories a special friend of many years, Barbara Goodyear.

Our Love One will be sorrowfully missed, our family chain has been broken again.

“ *Darlene was my kind of gal. We had many laughs together. She used to tell people I had black blood in me b/c she never saw a white person dance like that. I was just sharing this story very recently. I worked with Darlene in the Colonial school District.*

“ *John, Michele, Everett (Punchy) & Family: We were saddened to hear of Darlene's passing. Although we had not seen her for sometime, we always asked cousin Flossie about her until cousin Flossie's illness. Look to God for your strength, courage and hope! Sincerely, your cousins in New Castle, DE and Rehoboth Beach, DE.*

“ *To Everett Cole and Family, I offer heartfelt sympathy to the family. It is during this difficult time that we are reminded that we are not alone because Jesus Christ offers us peace, comfort and hope. May you rest in the comfort and promises of the God who is our refuge and strength.*
