“ I used to work with this fool! He had a bubbly personality and always made you laugh! When I would see him at the Salvation Army, we would cut up! I'm going to miss seeing my friend. Rest on!

*My deepest condolences . I would have come and would have known in the two times Ms. Johnson called, I would realized she called or listened to the message. Saddened, yet it does erase the Family and extended Family was so good to me when I was at University of Maryland Eastern Shore (UMES ) 1979-1983.*

*Emeike was this adorable, warm bright eyed boy who had not reached double digits. His warmth and delight for life was felt at that point! I will be following up Family.*

*Love you and ble*

*may God Bless Emeike's Eternal Beautiful Soul!!*
