“ Dawn I remember when you were just a little girl running around your grandmom's yard on Purnell St. Your dad had the brown Toyota Corolla and you would get in the back seat and ride smiling the entire time. I will remember all the times we talked and at your 40 Birthday party you were so happy to see everyone. But even though we all loved you God loved you most and we know that death is the last chapter in time but the first chapter in eternity. So until we meet again I LOVE YOU .
