“ *I haven\u2019t seen Debbie since we graduated from SHS, but still remember her competitiveness on the basketball court. Playing on the starting team with Debbie, Lizzie Brittingham, Carol Cook and others left me with memories that have obviously lasted a lifetime. My mom and dad (Lucy and Mark Berryman) often shared Little League experiences with Delino and remained huge supporters until their passing. So despite being distanced for decades, Debbie\u2019s impact on my life was always present. Condolences to all the family.*
