“ *To the family: I am so sorry for your loss and my prayers are extended to all of you. I have known Delsie since elementary school and she was always so nice, kind, polite, and loving. Even though we did not see each other often, when we did get together, what a time we had. I miss seeing her driving her Headstart bus and then when we she moved away, I missed running into her at Walmart and just taking time to chat and catch up with family and friends news. Heaven has gained an angel that was loved here on earth. God never makes a mistake and He needed Delsie to glow in His garden of roses. Sleep on Delsie and take your rest. You were loved here on earth and will be missed by many but one day we shall have a great reunion on the other side. With sincere sympathy to the family and you are in my prayers.*

“ I would like to say to the family that my heart goes out to you all. I have known you all for years through my beautiful friend and sister Delsie. She loved her family. She was a wonderful lady and will be missed by many. I pray for comfort for her grandchildren who were her pride and joy. I love you all and I'm here for you. Be strong, be encouraged. Too be absent in the body is to be present in the Lord.

To the family of Ms. Delsie: I was heartbroken to hear of the passing of your mother, sister, grandmother. I have often spoke about Ms. Delsie since she moved away. She was my next door neighbor and the best neighbor I ever had. I could always count on her if I had to go out of town to keep a watchful eye on my house. I take comfort in knowing that she is no longer in pain. There are no words to comfort you right now with this type of loss, but your morning will come again. Be encouraged and lean on the only one that can keep us covered. Matthew 5:4 says Blessed are they that mourn: for they shall be comforted.
