“ Please accept my deepest sympathy. May you find comfort in knowing that Diane is sleeping awaiting the call of Jesus' voice at which time she will awaken from her sleep of death. (John 11:11) As you know, all is not lost. Death's grip is only temporary. (Mark 5:39-42) You can look forward to the time when you will be reunited with your dearly beloved one. Your brothers and sisters (friends) feel sadden that you should have to experience the sting of death. May reflecting on the wonderful blessings we will experience from Almighty God in the future, bring you comfort.
